

Quincy Community Schools COVID-19 Dashboard

Quincy Community Schools will update the District COVID-19 Dashboard daily, to provide information on the number of positive tests as reported by the Branch Hillsdale St. Joseph Community Health Agency (BHSJHD). Due to the Health Insurance Portability and Accountability Act (HIPAA) and Family Educational Rights and Privacy Act (FERPA) laws, we cannot disclose the identity or personal information of a staff member or student that has tested positive or is a probable positive as denoted by the BHSJHD for COVID-19. Those who test positive for COVID-19 will not return to school until the date provided by BHSJHD. If we do have a student or staff member who tests positive for COVID-19, we will work closely with public health officials. The BHSJHD will investigate and identify close contacts. Only those identified as close contacts by the BHSJHD will be ordered to quarantine and will not return to school until the date provided by BHSJHD.
