

## **Electronic School Board Meeting (August 3, 2020)**

Executive Order 2020-75 temporarily suspends the OMA's "physical-place" and "physical presence" requirements to permit all board members, as well as members of the public, to participate in a public meeting electronically. Due to the impact of COVID-19 and the Governor's Shelter in Place Orders, Quincy Community Schools will be conducting its regularly scheduled Board Meeting on August 3, 2020 at 7:00 pm electronically using the Zoom Video Conferencing platform. The meeting platform will be ready for guests at 6:55 pm.

Quincy Community Schools is requiring remote online participation in order to promote the health and safety of our staff, students, and community members. Public comment will be allowed during the designated time period on the meeting agenda through the Zoom platform. Participants can join the Zoom School Board Meeting from a computer, mobile device, or tablet by clicking on the link below. Detailed instructions outlining the installation and use of Zoom on your device may be found on the district's website. To make a comment during the Board Meeting, please use the "raise your hand" feature in Zoom during the public comment period and the host will unmute your call. Participants are reminded to follow the guidelines established by Quincy Schools for public comment.
