

Zoom Web Conferencing Getting Started/Participating in the Meeting

In order to participate in a zoom video/audio conference, the zoom client is required on your device. Zoom Conferences can take place on an iPhone, Android, Mac, PC, or Chromebook. Please follow the links below to get the app or click on the following link to start a download to your PC

<https://zoom.us/support/download>

iPhone

1. In the Apple App Store search for "zoom cloud meeting app" and install the app with icon shown above

2. On a computer follow this link to install

<https://apps.apple.com/us/app/zoom-cloud-meetings/id546505307>

Android

1. In the Google Play Store search for "zoom cloud meeting app" and install the app with icon shown above

2. On an Android Table follow this link to install

https://play.google.com/store/apps/details?id=us.zoom.videomeetings&hl=en_US

Chromebook

<https://chrome.google.com/webstore/detail/zoom/hmbjbjdpkobdjplfobhlijndfdipjhg>

Connecting to a Zoom Meeting and Interacting in the Meeting

After installing the Zoom app on your device click on the link below which should open the app or web browser on your device. You will be placed in a que and the host will admit you to the meeting. Click the meeting link 5-10 minutes before the meeting starts. Audience participants mics will only be unmuted for public comment. All participants can hear what is said at the meeting. Please use the "raise hand" feature during the public comment period.

August 3, 2020 School Board Meeting 7:00 PM

<https://us04web.zoom.us/j/78081265599?pwd=ZEVxSGplc3dXYlhdW5KZnFweW5nZz09>

Meeting ID: 780 8126 5599

Passcode: M8F6GD

How to Raise Your Hand in Zoom – At the bottom of the screen click on participants. Then on the right-hand side near the bottom click on "Raise Hand". That will signify a raised hand and the host can identify and unmute you for comment during the public comment period.

Phone Option: Click on the link above on your computer to go to the meeting. If your computer does not have video or audio (microphone capabilities) you can dial one of the numbers below and use information from your computer screen to access the audio version of the meeting.

Phone: 1-669-900-6823 or 1 646-876-9923
